

---

Thank you for agreeing to mentor a San Juan College High School student with their Job Exploration project. This project would not be possible without you. Students are required to complete thirty (30) hours of career investigation through job-shadowing or internship as part of this project. Students have a log they need to maintain and have signed after every meeting.

The final aspect of this project is a presentation to a panel of faculty and community members. You are welcome and encouraged to attend!

If you have any questions, concerns, or praise, or if the student you are mentoring is behaving in a way you feel is inappropriate, please do not hesitate to contact the SJCHS Job Exploration Supervisor:

Stacey Parson
