

Career & Tech Education

Taos Academy's Career & Tech Education classes start in 5th grade and run throughout our program. Each course takes grade-level standards and develops a progression of 21st century learning skills. Students explore concepts in a collaborative, hands-on learning environment.

In middle school, students rotate through the following classes:

- ☀ **SmartLab**
- ☀ **Global Studies**
- ☀ **Leadership**

In high school, Career & Tech Education varies by grade level and individual student career plans:

- ☀ **9th Grade:**
Global Leadership
SmartLab
 - ☀ **10th Grade:**
Career Pathways
 - ☀ **11th & 12th Grade:**
Internships and Dual Credit
-
