The College and Career Readiness Bureau (CCRB) and the Associated Builders and Contractors of New Mexico (ABC NM), in partnership with NS4ed, will host the 2023 Counselor Conference in Albuquerque on Friday, March 3, 2023. The conference is designed for high school counselors/advisors/CBOs to learn more about implementing career-focused initiatives at their schools. The event provides opportunities to connect with others and equip attendees with strategies to support career awareness and development for our students.
